

Dedicated to improving the quality of life of Montana cancer patients and their families by offering them financial assistance to cover out-of-pocket expenses.

Calling All Angels....

If you or someone you know is looking for a great socializing opportunity, need to fulfill graduation credits, need to participate in community service, or if helping others is the habit of your heart...

WE NEED YOUR HELP!

It is through our working volunteers that we have been able to directly pass every dollar that we have received into the hands of needy cancer patients.

Volunteer activities will center on fundraising, public awareness and grant seeking/writing (great experience for college).

We would love to hear from anyone who is interested in furthering our efforts to aid Montana cancer patients. Please fill out our volunteer application and mail to the address below with attention to Jacqueline Kakos.

Thank you,
